

# Realtor's Friend

I am a professional writer/editor/publisher with a long history in the real estate business (sales, brokerage, management, training, international).

I have helped many real estate professionals increase their visibility and profitability by building websites or doing makeovers (is your site mobile-friendly?), handling newsletters, ghost-writing blogs, and strategizing and implementing social media campaigns that bring results.

## Typical Package:

Monthly Newsletter  
(design, writing, and distribution)  
Ghostwrite Website Blog  
2 blog posts per week on Social Media  
Response Management  
(I deal with it or forward to you for action)  
Unlimited Emails

Only \$385 per month with a minimum 6-month subscription

I also develop WEBSITES or do makeovers - to update or make more responsive and mobile friendly. I can provide edited content, photography, etc. and set up EMAIL clients and SOCIAL MEDIA formats as well. Depending on the scope of the work, I will provide a quote just for you. And if you're looking for a full-blown Marketing Plan, that's my forté.

If you're a busy realtor, you can probably use me. Just give me a call, and we can discuss YOUR needs. I have several packages available or can optimize services that work for you. Call or email me today for a complimentary initial consultation.
